

# AAMN Submission for Activity Approval

Only one submission application per person, please. For your information, any activities or events will be considered for approval by the board of officers for the chapter of the Alamo Area Master Naturalist using the following criteria:

- Applicability to the Master Naturalist mission of conservation, education, restoration, and preservation;
- Level of commitment required by the chapter (number of volunteers needed, whether it is a one-time only or a long-term commitment, etc.) and its participants (equipment or materials needing to be provided by the participant, etc.);
- Costs involved for participants, if applicable;
- Diversity of the project;
- Initial involvement and continuing maintenance needs;
- Existence of a possible coordinator at the time the proposal is submitted;
- Safety issues.
